

Charles Berry

Charles Chaired Centrica plc between 2018 and 2020, when ill health required him to relinquish the role. He continues to chair the Weir Group PLC and is a member of the steering group of the Hampton-Alexander Review. Charles formerly chaired Senior plc, Drax plc and Eaga Plc. His executive career was spent in UK and international engineering and GM roles bringing extensive experience of the regulatory framework of the global energy and service markets.

His final role was as CEO, UK operations, Scottish Power Plc. He was a Founder Advisor in the creation of the Board Advisory Partnership's Chairing in Practice programme.
